

ALABAMA

Customers must provide a copy of their state issued SALES TAX LICENSE or a completed Multi-Jurisdiction form (found on Team Net) including their sales tax license number. This number has to validate with the state before being applied.

Exempt entities will have to provide their state issued CERTIFICATE OF EXEMPTION. These state issued documents will have the exempt entities name, tax number and an expiration date as well the state seal. The number will have to validate with the state before being applied.

*Please be sure to always include the customer's account number on all documents being submitted to avoid delays in processing.
