Resale customers must provide copy of their state issued sales tax permit or complete the Multi-jurisdiction form found on Team Net.

Agriculture customers have to provide their state issued cards. The state does not accept just a Multi-jurisdiction form in lieu of the agriculture card. Please note that the card can only be applied to accounts in which the agriculture card was issued to. Example: We cannot apply a card issued to 'John Does' Cattle' to account for 'John Doe Excavating'. The card has to match the account/business.

Veterans have to provide their state issued cards. The state does not accept just a Multi-jurisdiction form in lieu of the Veterans card. Please note that per Oklahoma law a Veteran's card CANNOT be used on a business only for personal purchases. Example: Veteran Card issued to 'John Doe' cannot be used on his business account 'John Doe Auto Repair'.

\*always be sure to include the customer's account number on all documents to avoid delays in processing.
